I. Introduction

It will be a great accomplishment for teachers to transform their learners who are frustration readers be improved into instructional readers. Primary teachers are constantly modifying the best techniques to encourage reading among their learners and develop grade ready learners. The teacher uses Explicit Teaching (Teaching/Modelling, Guided Reading and Independent Reading) in using this material.

This reading content is geared for Level 2 readers. The writer aims to come up with reading exercises which is not available in the existing 8- week curriculum as provided by the region. The writer believe that syllabication is important with due consideration on the vitality of vowels and on consonant vowel consonant reading. The writer uses the FERRIS WHEEL for creative and aesthetic approach for the optimum learning of the learners.

Follow the exercises are intended for the learners to be able to sound out the letters. With the teacher's help, the learners will be able to recognize during the syllabication on the sounds of consonant letters when associated with the vowels as guided with the visuals that go with them.

Inclusion herewith are printable template of the ferris wheel and the ready-made flashcards that can be used by the teacher for this lesson.

II. Objectives:

A. Reading

- Read the words with short **/e/** in CVC pattern. (EN2PWR-III-d-3)

B. Content Focus: CVC Pattern (Word Family)

At the end of the session, the learners are expected to:

- Familiarize the CVC pattern technique through Ferris Wheel of Reading.
- Understand the importance of fun and enjoyment in reading.
- Read the words with short **/e/** in a sentence and answer questions about the story given.

III. Procedure

1. Introduce the letters in English following the sequence of the consonant sounds.
2. Introduce the vowels as an initial and then as medial sound.
3. From here, you can then move on to teaching word families following the sequence in the table. Teach learners to read by word families with short vowel sounds as medial sound. Follow the sequence **/a/, /e/, /i/, /o/, /u/**.

RAISE PLUS

REVIEW- The teacher will ask the beginning consonant sounds of each word of the alphabet.

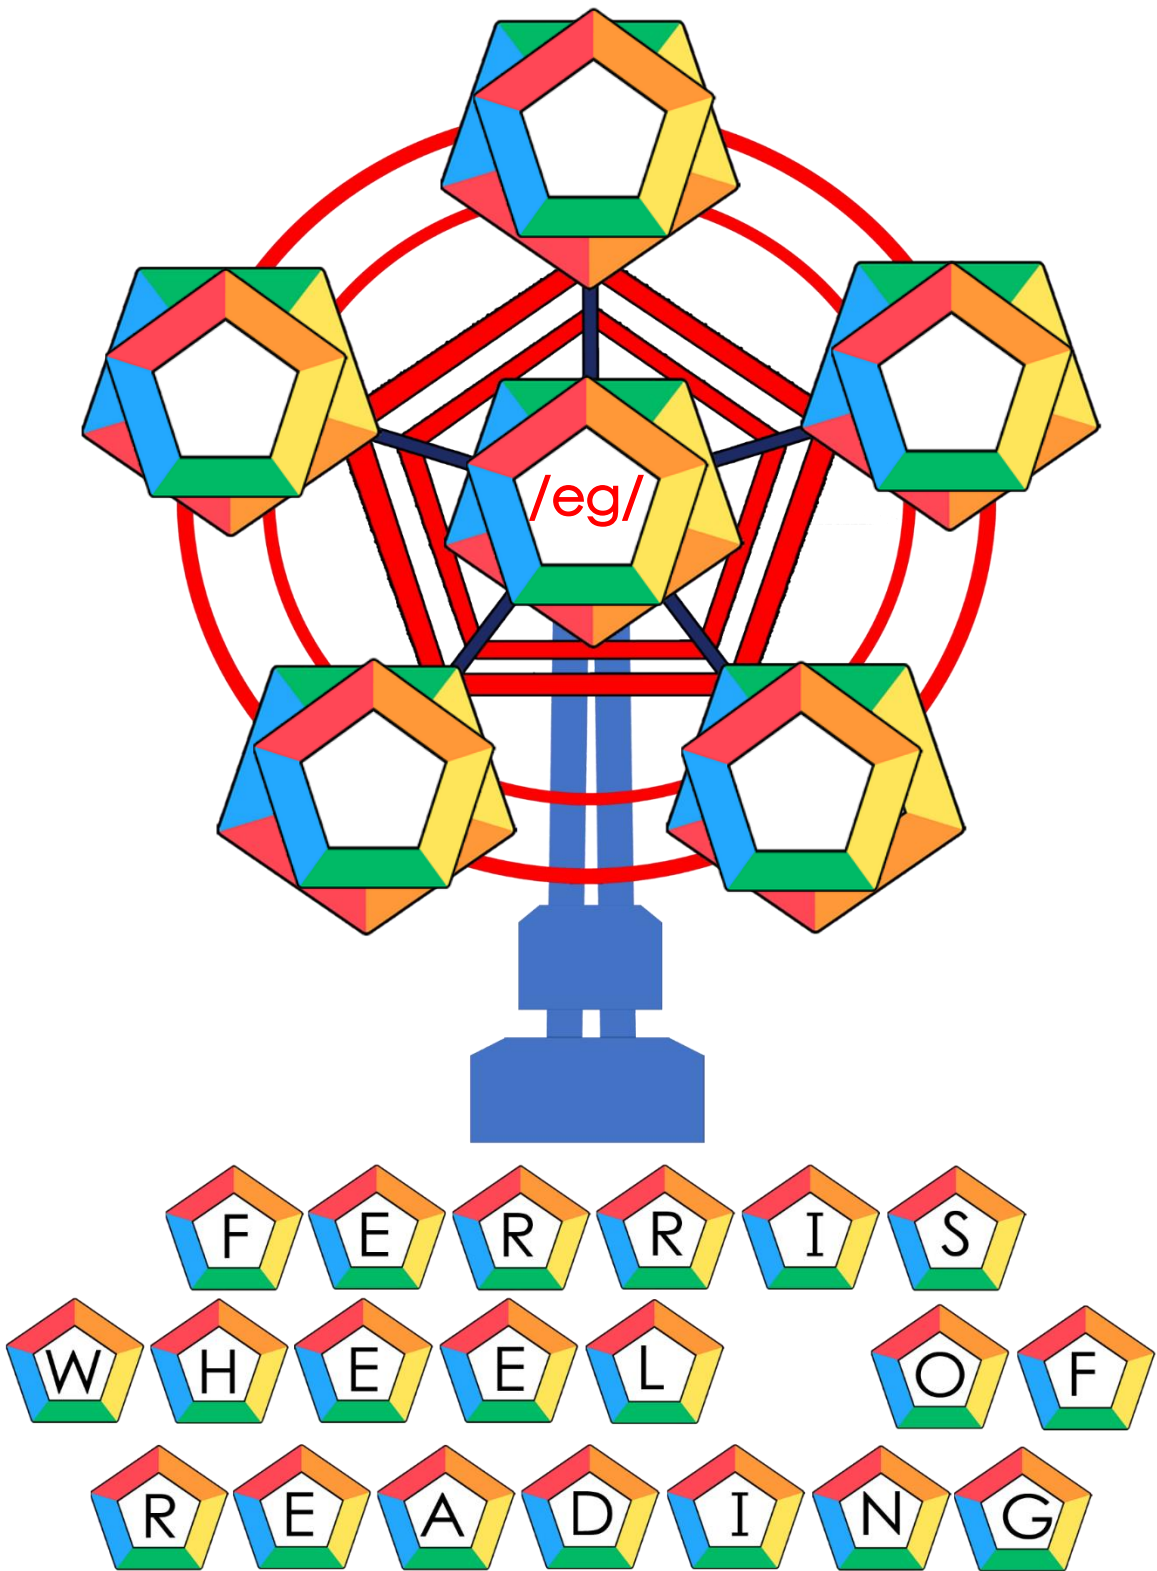

ACTIVATE- The “Ferris Wheel of Reading” will be presented by the teacher in class and the teacher introduced the “Ferris Wheel Song”.

IMMERSE- The teacher will give the word and paste it at the center of the Ferris wheel and model it to the class and altogether the learners will follow. The teacher also will put the consonant in the other part of the ferris wheel seat, slowly the teacher blends the consonant to the sounds with **/e/** to form the word. And the learners read the word correctly.

SYNTHESIS- The teacher presents the activities in class and let them do it.

EVALUATION- The teacher will give the assessment in class after the discussion.

PLUS- Additional activity will be given to answer at home. Make five (5) sentences using CVC pattern with short sound **/e/**. Write it on your English Notebook.

Ferris Wheel of Reading. Illustrated by: Leander T. Cañaveras

Note: This instructional material can be printed into "tarpapel"

Teacher says: Let us review the consonant sounds of the alphabet. Let the learners sound it out and write the letter on the paper, at the back of their classmates and on the air.

The teacher shows the "FERRIS WHEEL of Reading" and introduce the song in class.

"FERRIS WHEEL SONG"

Sung & Composed by: Eddelyn B. Bandojo

Up and down round and round...
Read the letter and its sound
Form the word and phrases
Later became sentences

Round and round up and down
Read the letter and its sound
Form the word and phrases
Later became sentences

Round and round up and down
Let us read and have fun!

Note: Check <https://youtu.be/-il6EU-O3a4> for the tune

Direction: The teacher will let the learners practice CVC (Consonant Vowel Consonant) Reading Technique:

- a. First, the teacher will model the blending word.
- b. At the center of the Ferris Wheel, the teacher will put the blending word. The teacher will put the consonant in the other part of the ferris wheel seat.
- c. Next, you will combine the letter in the ferris wheel seat with the blended words at the center which leads into CVC Reading Technique based on the word list and its illustrations.

IV. Activities

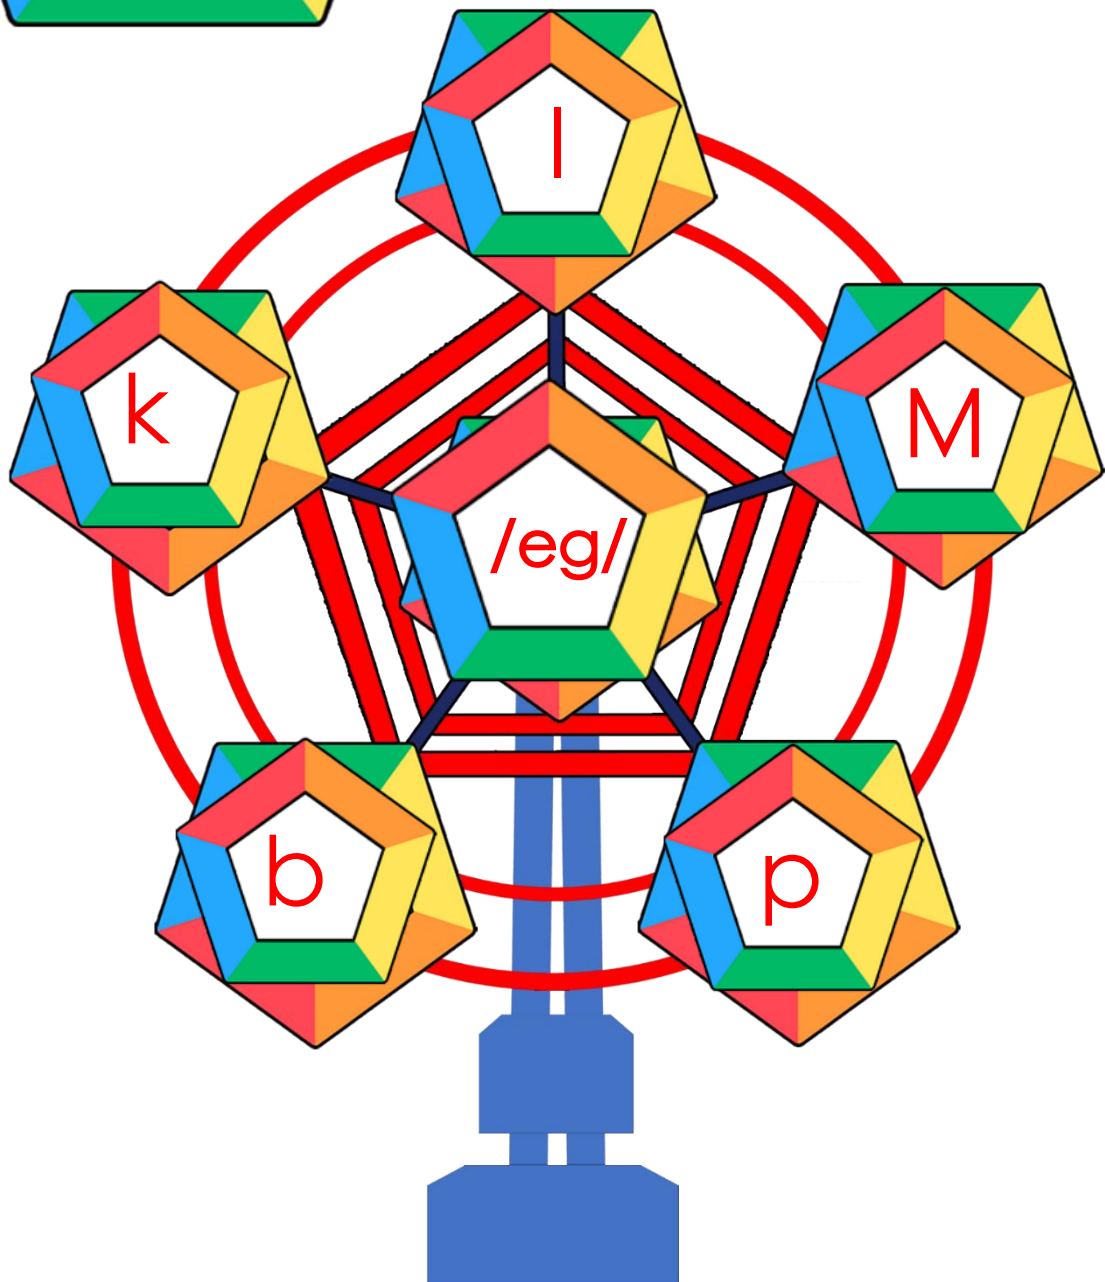

1. Read the sounds of the letter on the sides with the /eg/ word family found on the center of the ferris wheel to form the blend words.
2. Sound out the beginning consonant and read the blend word that will be produced/formed.
3. Determine the missing letter in a CVC word.
4. Read in progression from phrase to sentence.

Teacher's Copy:

Direction:

The teacher asks the learner to read the sounds of the letter at the sides with the **/eg/** word family found at the center of the ferris wheel to form the words.

V. **Assessment.** The teacher uses explicit teaching in reading words with /e/.

A. **Direction:** The teacher listens to the learner as they read the /e/ to form the word. Then, let the learner put a ✓ inside the box if he/she reads the word correctly and put an ✗ if not during independent reading.

/e/	word	
b-e-g	beg	☐
k-e-g	keg	☐
l-e-g	leg	☐
M-e-g	Meg	☐
p-e-g	peg	☐

Note: Remind the learners to be honest to his/her answer.

Teacher's Copy

B. **Direction:** The teacher asks the learners to color the smiley face  if he/she read the word correctly. Color the sad  face if not.

/e/	word	
b-e-g	beg	 
k-e-g	keg	 
l-e-g	leg	 
M-e-g	Meg	 
p-e-g	peg	 

Note: This instructional material can be printed into "tarpapel"

Teacher's Copy

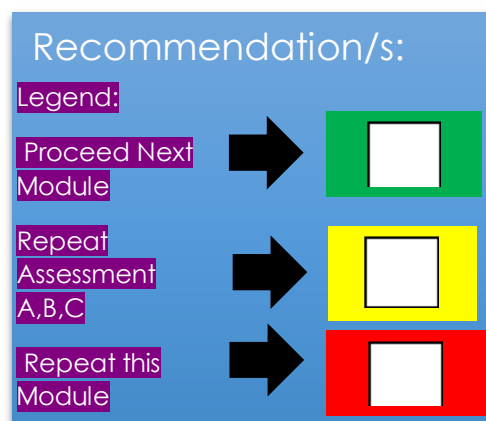

C. **Direction:** The teacher asks the learner to read the story "The Beg of Meg" as he/she listens and give questions to the learner to clarify understanding before, during, and after the reading. Then, check the recommendation based on the learner's performance.

The Beg of Meg

There was a girl named Meg. She needed to beg. She wanted a keg. She saw a peg. She put it on her leg and said "Ouch!"

Comprehension Questions:

1. What was the girl's name?
2. What does she needs to do?
3. What does she wants?
4. Where did she saw?
5. Why did she say "Ouch"?

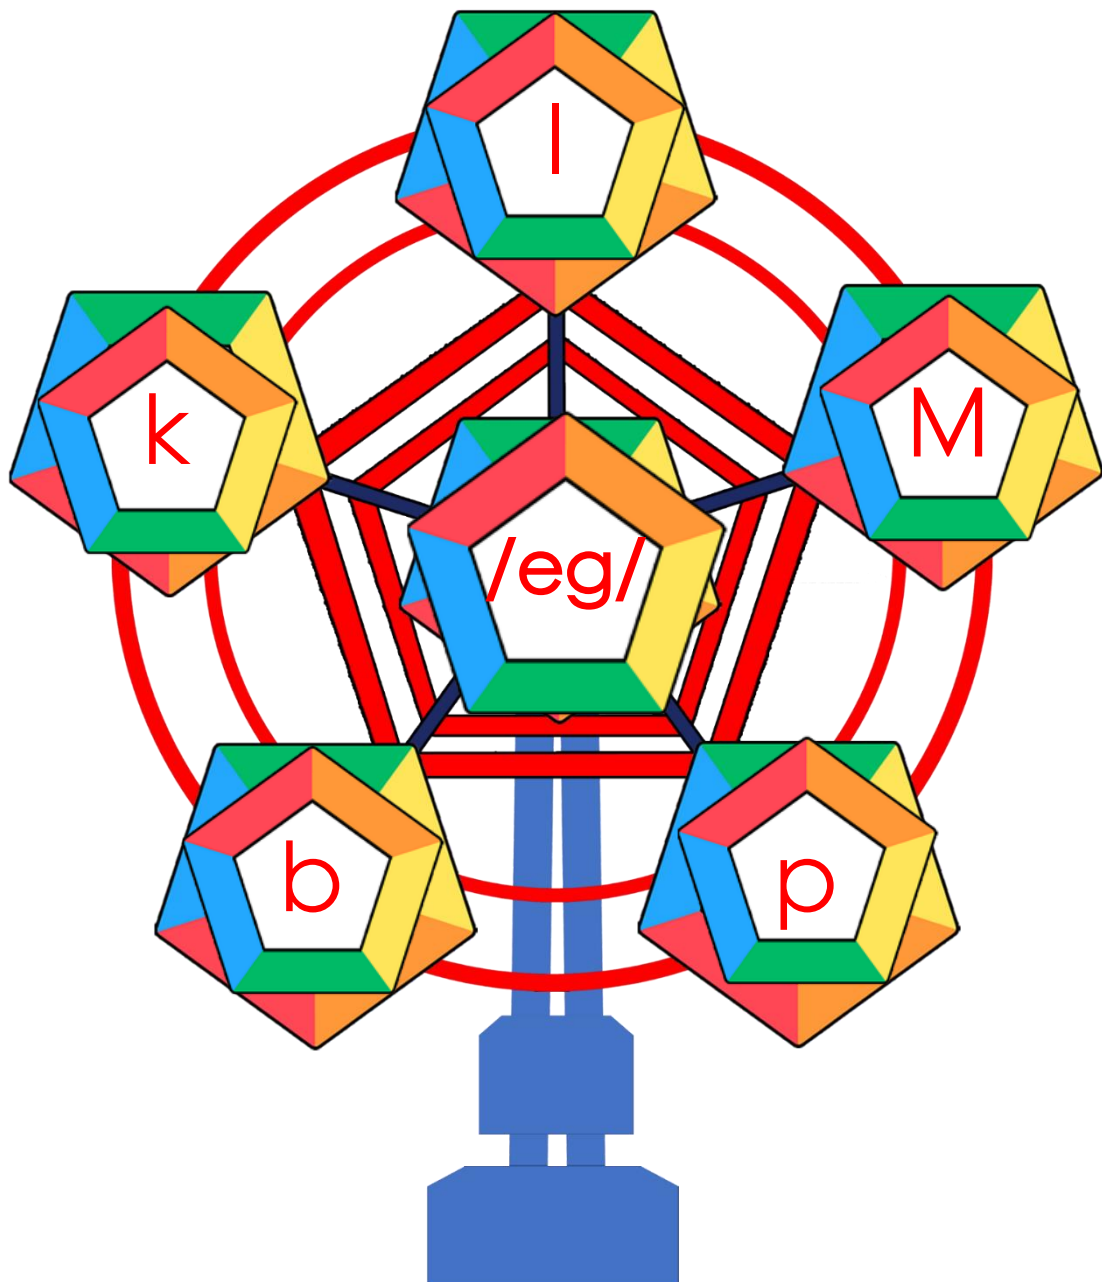

Learner's Copy:

Direction:

Read the sounds of the letter at the sides with the */eg/* word family found at the center of the ferris wheel to form the words.

Learner's Copy:

Direction:

Sound out the beginning consonant letter to form and read the **/eg/** word that is produced.
